

Senior Spirit

Senior Services and D.A.R.T. Transportation

The Community and Senior Centers continue to see growth with our recreation programs and trips as fall colors have presented themselves in such a fantastic way. I am so grateful to be a part of such a wonderful organization which seeks to celebrate seasons, friendships, memories, and heritage. I wanted to make you all aware of some events and projects that have been completed and are available to you:

Winter Facility update

As many of you know with snow comes ice and during our first year of operations it was particularly cold and slick. We have added to the facility additional gutters to reduce the amount of ice and wetness on sidewalks. We have also completed the preschool playground, putting green, brick patio and fencing. These enhancements will be enjoyed for many years to come. Especially, when we get the horseshoe pits outside the Dining Room patio.

Fall to Winter Programs

We hope that our community continues to support being "Fit and Feeling Good" Seniors can continue to enjoy free walking classes on the track, pickle ball, ping pong, yoga and much much more! We are also looking into the Silver Sneaker program to make the gym membership available to more seniors. Please remember that if you participate in the Community Center side of the building through these free active classes do not include access to the weight equipment and cardio equipment. This equipment is for all seniors and community members who have a paid annual, 90 day, monthly, or drop in pass.

Being Thankful

A long time tradition for our staff and volunteers has been to serve seniors this month, particular on our "Thanksgiving celebration day. We are very excited to see so many new seniors coming to the center to enjoy time together. As a staff we are humbled to work with such honored individuals in our community and hope that each of you see that in how we work and serve you. With that said I have challenge for each you to reach out to just one new person you don't know and do something kind for them as a way of paying it forward.

Mental Health Coalition

I wanted to make each senior aware of an effort which involves Douglas County Senior Services, Douglas County Social Services, Douglas County Mental Health, East Fork Fire Protection District, Suicide Prevention, Douglas County TRIAD and many others who want to make a difference for seniors who are alone, depressed, desperate, feeling like suicide is a way out. Our goal is to be proactive and effectively communicate between multiple agencies in order to reach out to a senior if and when they have decided to give up. We hope that each of you would help us also in the effort to reach out to those who you know are alone, feeling down and need a help up. Our thoughts are such powerful things and when we occupy them doing good for others there is not room for them to be filled with sadness for ourselves.

What is the Young at Heart?

Young at Heart (YAH) is a nonprofit organization that raises funds for the seniors in the community of Douglas County. We sponsor events and groups that benefit the seniors in our community.

What do we do?

The holidays are already lurking around the corner and YAH is busy! First, we will have our annual Holiday Craft Fair at the Community Center Gymnasium on November 21st 8am to 3pm, we have 85+ vendors' goodies to choose from, super prizes to win at the raffle, plus our famous café serving breakfast burritos, hot dogs, beverage & more. Second, we are putting together Christmas Bags for our shut-ins seniors, there are drop-in boxes at the Senior Center if you want to donate a present or two (no used items). Third, our yearly Young at Heart Christmas party & lunch is at the Senior Center on December 5th, deadline to sign-up is November 16th, this event is free and exclusively for YAH members.

We support the Hot Soup Program (\$1,300.00 monthly), Adopt an Elder Project, Sight Impaired Support Group, as well as the Parkinson Support Group. In addition, we manage the Gift Shop, which is run by volunteers. Each year the Douglas County Senior Center, has a "wish list" that is not covered by their budget. YAH tries to fulfill these wishes; we purchased the NEW "kitchen" equipment as well as the warming kitchen that is used daily by everyone at our new center. Our most important job this year and for years to come is to provide the funds for the Hot Soup Program, which runs \$1,300.00 a month, and to help provide funds to help equip our new Senior Center.

Membership

Our membership fees are only \$5.00 a calendar year. These are handled at our gift shop. Our new website; <http://www.youngatheartcarsonvalleynv.org>

When does the Young at Heart Board Meet?

The Young at Heart meeting is on the second Monday of each month, at 9:30 at the Douglas County Senior Center, which is open to the public.
